

Recipe

Fresh Melon Quencher - I

By

Madhavi Devi Dasi.

Ingredients

- 4 cups water melon, chunks
- 1 cup cantaloupe, chunks
- 2 tbsp lemon or lime juice

Preparation

1. In blender container combine melon chunks and add lemon juice. If you like, add a few ice cubes. Blend just until mixture is smooth.
2. *It is sweet enough that you do not need any sugar. I do not like water melon because of its "unique" flavor. However, lemon juice diminishes the melon flavor and makes it taste sweeter at the same time.

Serves

2-3 servings
